Experience more than just a place to live

With world-class art, drama, dance, music, festivals and exhibitions throughout the year, there is always a cultural draw to the area. Within Woolwich Works, the acclaimed immersive theatre company, Punchdrunk has set up its permanent home. Punchdrunk stages hugely popular productions where audience members are free to wander around and take part in the shows. The current show, 'The Burnt City,' is drawing huge crowds for every performance.

Woolwich Works and Punchdrunk bring in local, national and international audiences to Royal Arsenal Riverside, especially during the evenings and weekends, increasing footfall to the area and, therefore, the need for a variety of retail and F&B options on-site.

Building 10

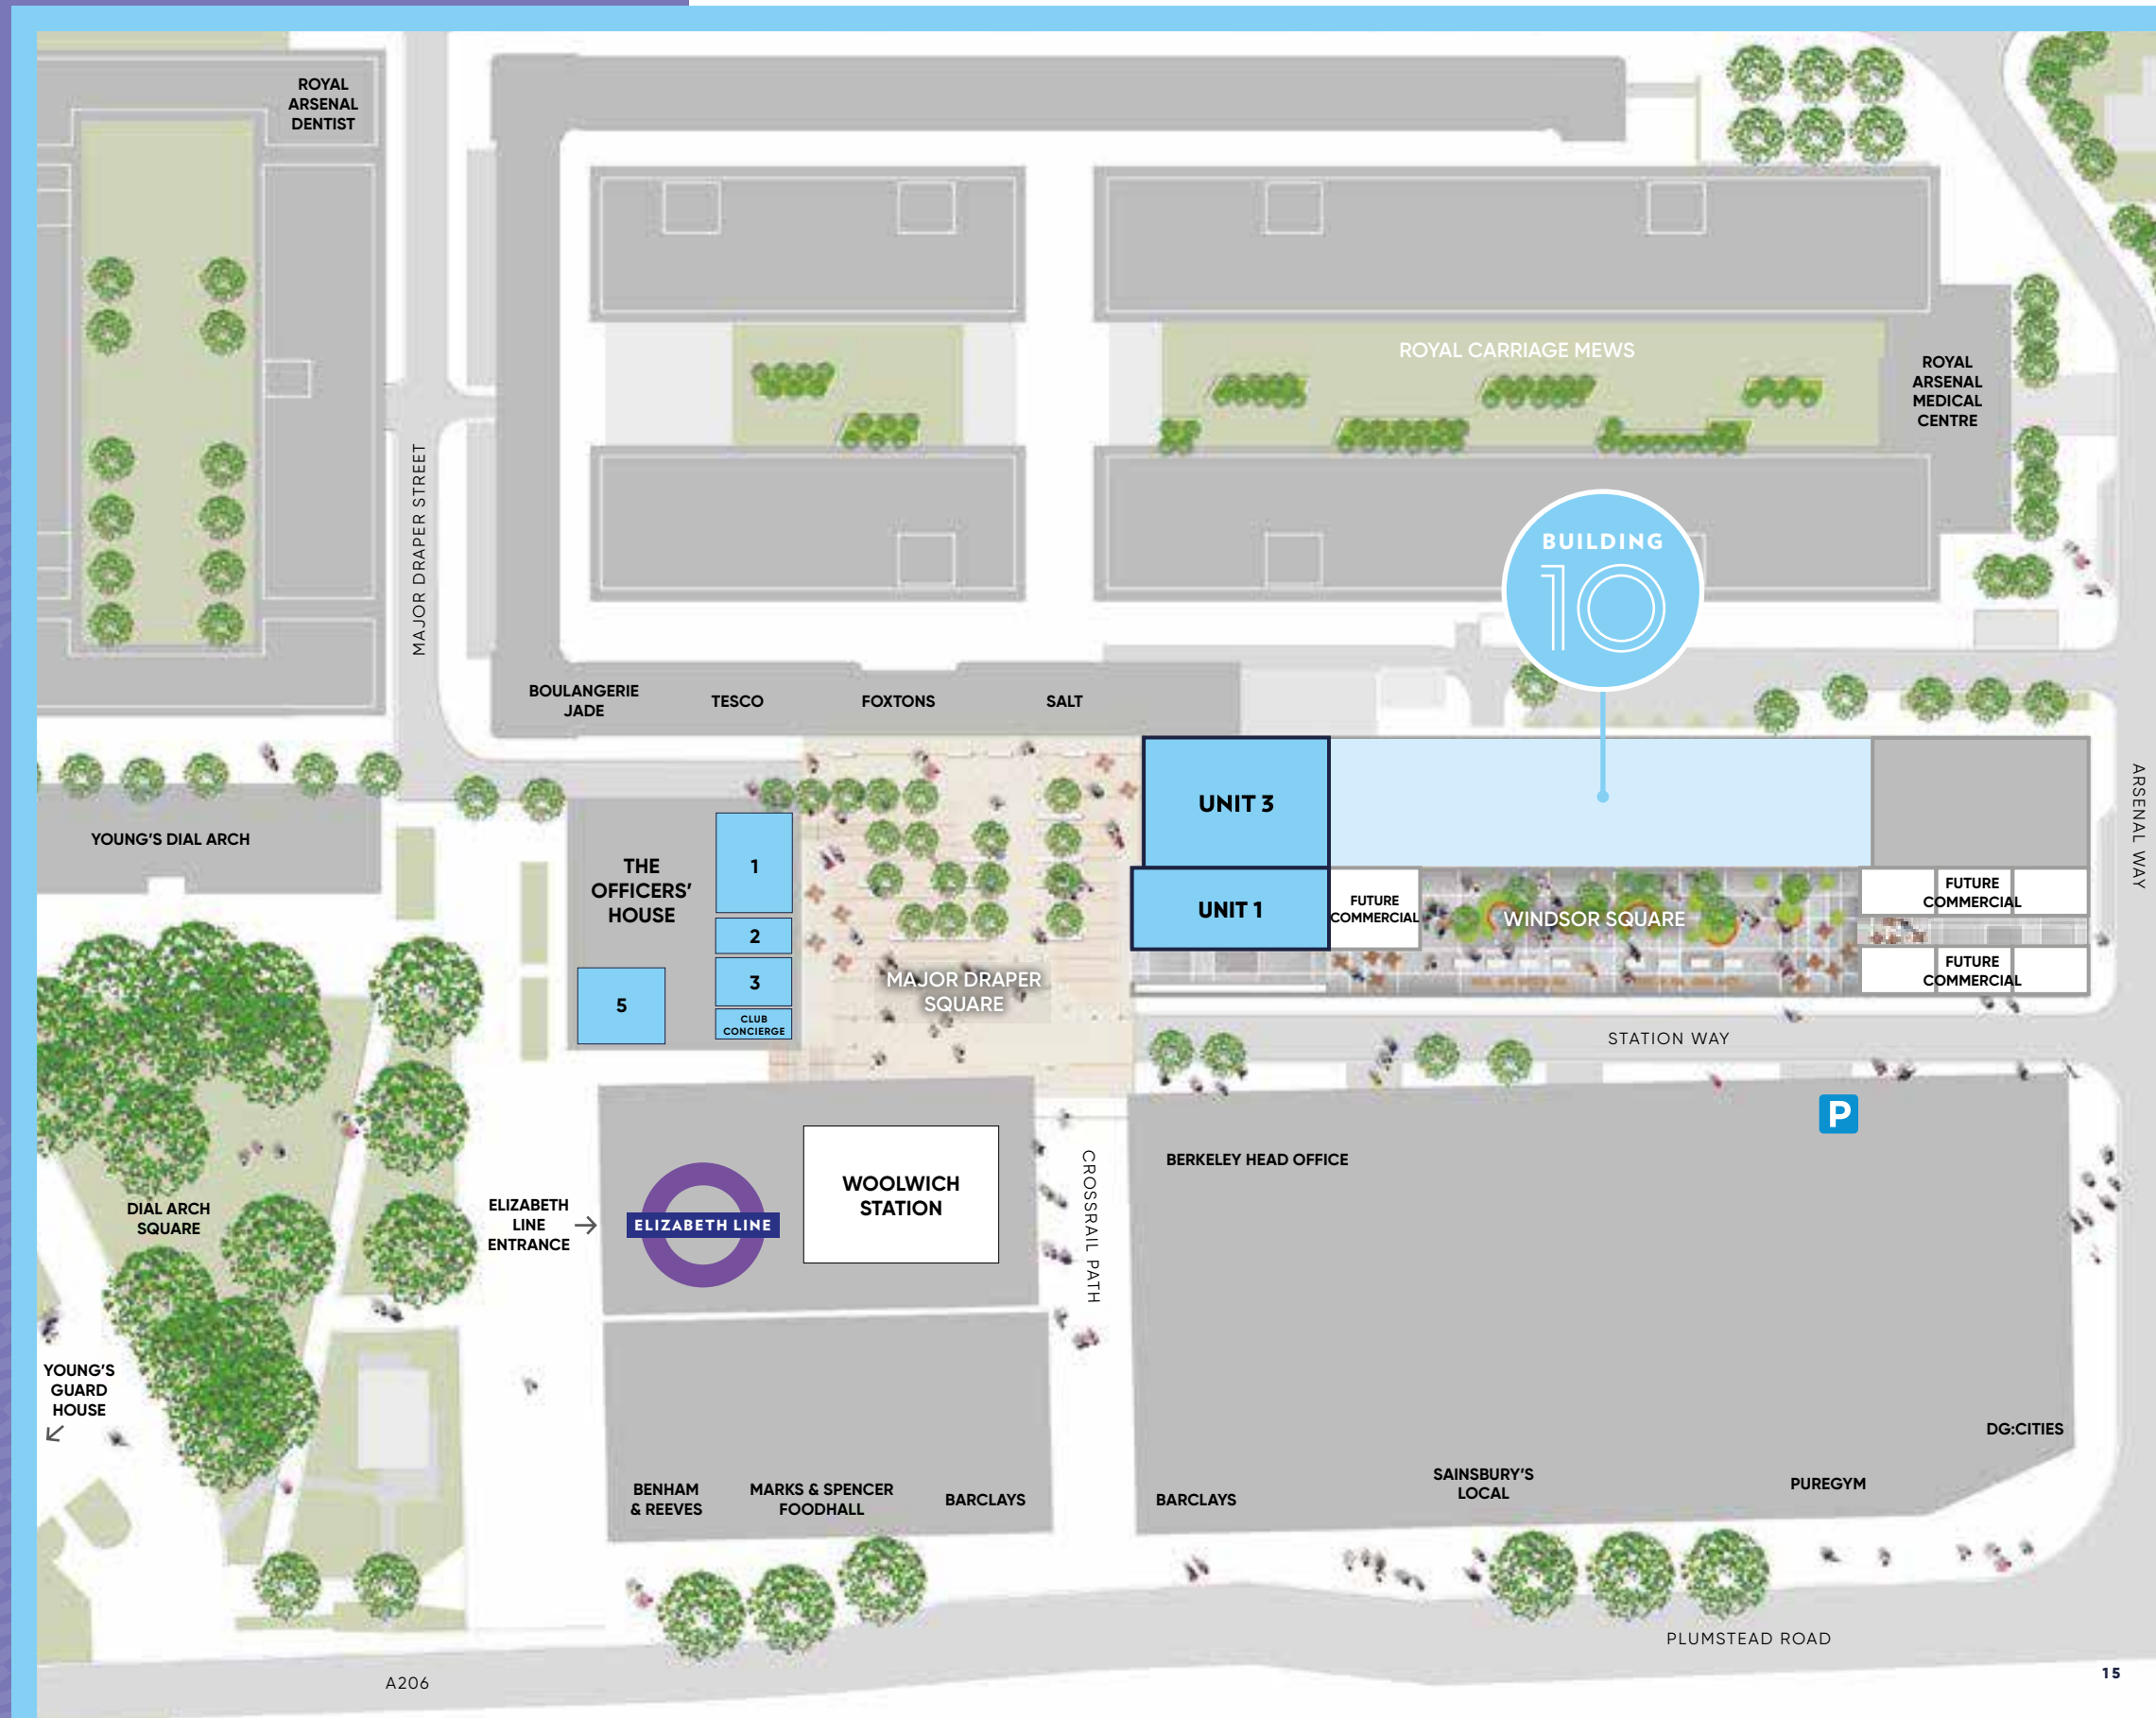

Building 10 is adjacent to Major Draper Square, which is already surrounded on all sides by a host of blue chip and independent businesses, eateries, bars and shops. Already well-established are places such as the Dial Arch Pub with its classic British fare, Boulangerie Jade serving up coffee and fresh pastries or PureGym.

The opportunity for retailers, especially for food and drink-related businesses, is unprecedented, and with so many businesses already thriving, you will be in good company. Dedicated spaces with huge potential for passing customers, the units in Building 10 offer exceptional potential for sustained, long-term commercial success. On a practical level, both units include mezzanine levels, as well as kitchen extract flues installed to the roof, but it is the heritage features and the sheer size of the spaces that give these units the wow-factor.
