Discover what is happening at Here East Canalside

Here East is a 1.2 million sq ft campus on Queen Elizabeth Olympic Park. It is home to an array of organisations, including 5 world-class universities, the innovation centre, Plexal, and the newly added V&A Storehouse that will house over 250,000 objects, 350,000 books and 1,000 archives with host pop-up displays, workshops, performances and screenings.

Connecting the campus with the River Lee and Hackney Wick is Canalside, a collection of independent locally-owned eateries, a gym space, a retro arcade, bars and a barbers that sits next to the waterway amongst landscaped gardens. It is a great location to meet, eat and relax. These shops and restaurants provide a backdrop to the lively community environment that is Here East.
